## TAILOR MADE GOLF PACKAGES

We offer fully tailored golf packages built around your exact requirements that give you the best of both worlds. For example you can easily venture into East Lothian and Edinburgh South all within one hours drive. Our Tailor made packages can be discussed and booked by Sarah our Golf Planner.

This allows returning golfers familiar with Peebles and the local area to explore a little further afield and play courses such as The Braids and Mortonhall, both great courses which afford fantastic views of Edinburgh City and the Forth Estuary. Also The James Braid Trail takes in reduced green fees at Ratho Park, Lothianburn and West Linton. East Lothian also beckons and we have recently made bookings for golfers at Haddington, Royal Musselburgh and Longniddry.
